Overview

MSEA is pleased to continue the 2023-2024 Smash Ultimate Season with an in-person event at DMCI in Winnipeg! The event will consist of round robin pools, with top players in each pool advancing to a single-elimination final.

Date: **May 17, 2024**

Time: **Check-In opens 4:00 PM, Play will run from 4:30 PM to approximately 9:00PM**

Location: **Daniel MacIntyre Collegiate Institute, [720 Alverstone St, Winnipeg, MB R3E 2H1](#)**

Parking access is on Banning St.

Participants: **Each school can register up to 8 players. Spectators are welcome. Coaches are required to attend to supervise their players.**

This will be an in-person Smash tournament, with Round Robin pools occurring in rooms around the school, and elimination brackets in a central area. Players are encouraged to stay and watch the Final.

All players must provide their own controllers and, if required, cable. Sharing controllers between players will cause delays in the schedule. Please ensure controllers are charged prior to the event.

Switch consoles are required to run the event - coaches are requested to ensure that their school provides at least one Switch console, dock, cables, and Smash Ultimate game. Schools bringing 6 or more players are asked to provide minimum two sets of equipment. We encourage schools to label ALL their equipment before arriving to prevent loss. We do not specifically require schools provide DLC characters on their consoles, however it is preferable that those characters are available.

This event will occur in a central area – if possible please also bring monitors and/or projectors.

Due to the variety of equipment available to us we cannot guarantee that during the Round Robin the players will have access to all the DLC characters. Those characters will be made available during the Finals bracket and onward.

There will be a canteen, and pizza available for purchase. There is a pizza pre-order in the registration form.
